31 **54. Eighth Note Encounter**

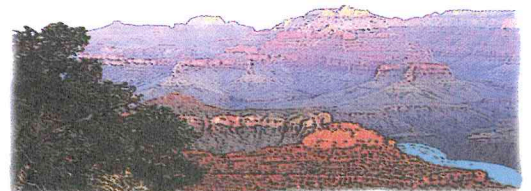

To help you "feel" the eighth notes, first clap the basic pulse (shown in yellow); then count, clap, sing, and play the recorder part.

32 **55. Yankee Doodle Rides Again!**

Colonial American Song

Circle the skips in the music.

33 **56. Grand Canyon Trail**

America's Grand Canyon

Are you playing with a steady air stream and a smooth, even tone?

**57. Adventures in... Theory**
